To Whom It May Concern:

The Certificate of Correction issued on July 28, 2009, issued in error, in that error(s) was made in identifying the patent number and/or keying text/corrections, i.e.:

The title page displaying the corrected illustrative figure was included in the issued cofc. In this particular instance, the title of the invention was also changed and should have been correctly displayed on the title page since illustrative figure was changed. A superseding cofc will be prepared to include the title page displaying the correct title and illustrative figure.

---

Therefore, a certificate of correction will be issued to correct (supersede) the Certificate of Correction containing error(s), made during preparation of the Certificate of Correction, as noted above.

No further response is required, from applicants (attorney). However, errors discovered by attorney, other than as noted and described above, should be noted on *a copy* of the Certificate of Correction that was issued in error, accompanied by a signed transmittal letter and submitted directed to this Branch.
